

BOOKS

Our Holiday Books have all arrived—the latest on sale by any dealer—and owing to the fact that we are soon to start another store in Reno, which we will run in conjunction with our Tonopah store, we want to raise all the cash possible, and to this end we are making bargains on books never before made in Tonopah. Come in and see them if you don't believe.

HOLIDAY GOODS

of all kinds are being sold at prices which insure their sale, as we want to close out this line. We haven't space to tell all that we have in this line, but whether it's a present for the toddler or for the grandfather, we have something suitable. Orders taken for Christmas trees and tree ornaments.

EVERY GETS SIX MONTHS' LODGINGS

O. S. Avery, who was found guilty Wednesday of receiving stolen property was sentenced yesterday in the district court to serve six months in the county jail. In pronouncing the sentence Judge O'Brien administered a severe lecture to the prisoner and stated that his age saved him from receiving the maximum amount of the penalty.

JAMES O'NEAL FOUND DEAD IN LONELY CABIN

James O'Neal, a pioneer prospector and teamster of southern Nevada, was found dead yesterday afternoon in his cabin on Summit street. He was last seen alive on Friday night about 9 o'clock and was then in good health. His body was found by George McIntyre, driver of the Manhattan stage, who resides next to O'Neal's cabin. The deceased was about seventy years of age and had resided in Nevada for about forty years. He was a veteran of the civil war and at its close went to Montana and from there moved to Eureka, Nevada. He was a pioneer of southern Nevada, having come to Tonopah about seven years ago.

E. A. Pomeroy, who has known O'Neal since his residence in Nevada, states that he had no known relatives. The body was removed to the morgue and the coroner's inquest will be held Monday. It is presumed that death was due to organic heart trouble. The funeral will probably be held under the auspices of the Grand Army veterans.

BLAIR PEOPLE WILL ADD CYANIDE PLANT AT ONCE

BLAIR, Dec. 12.—Information received by Howard Murine, who has been in charge of the Goldfield-Silver Peak, states that the machinery and equipment for the new mill left Los Angeles the early part of the week. There are five cars of it, and it should be in Blair by next Monday.

The company decided, almost at the last minute, to add a cyanide plant to their equipment, which will add greatly to the saving, although mill tests of the ore demonstrates that it is a free milling proposition.

INSURANCE CASE IS NOW BEFORE COURT

The securing of the jury in the case of W. A. Gray vs. the Western Assurance company, occupied the attention of the district court yesterday and at the time the court adjourned last evening the jury box was not filled. It is expected that the remainder of the jury will be secured today and the taking of testimony started. Gray is suing the insurance company for \$2875, for which he had a building insured in Rhyolite. Shortly after securing the insurance the building burned to the ground and the insurance company refuse to pay the money as they state the fire was started in a mysterious manner.

P. A. McCarran is representing the defendant while the plaintiff has secured the services of McIntosh and Cooke.

NEW STORE SOON TO OPEN IN THIS CITY

The company will have the best lines of furnishings on the market, and is out for the square deal between store and customers. Mr. Sands is a very pleasant gentleman, who has a thorough knowledge of his business, and we wish him success and the liberal patronage of the Tonopah public.
